SURVIVOR HEROES

We'd like to honor survivors who have dealt with the challenge of cancer in a way that would inspire others. If someone you know would fit that description, please ask them to provide some information about themselves so that we can add their name to the Survivor Heroes list for special recognition on June 11. And don't be shy - that "someone" could be you! Email to cancersurvivorshipsd@gmail.com, fax to 760-598-7304 or mail to 2070 Ridgeline Ave., Vista 92081.
